

The Employer Tools & Resources campaign that followed the 2016 Employer Forum provided attendees with bundled tip sheets intended to help employers along the continuum of the hiring and retention process.

Employers may, at any time, access those resources here:

## Next, we turn to you: the experts on what employers need.

By completing a brief, 10 question survey, you help us ensure that we continue to provide employers with the resources necessary to succeed in an increasingly competitive global market. This survey should take no longer than 5 minutes to complete.
