Connecting Employers to Immigrant Talent

BC JobConnect

Connecting Employers to Newcomers

What is BC JobConnect

- An easy-to-use web-based tool for professional networking and talent acquisition
- A secure space to view digital profiles of qualified newcomer jobseekers
- An opportunity to connect with candidates with valuable international skills and competencies

How does it work?

Registered employers identify candidates of interest based on occupational profile information and supporting documents uploaded by newcomer jobseekers

What are the benefits?

- Free digital platform
- Constantly updated pool of newcomer candidates with relevant education, skill and experience
- Employer-led candidate search functions
- Connect directly with candidates through virtual or in-person Connections Events, high-impact networking opportunities to increase brand awareness, promote job availabilities and acquire new talent
